Introducing the JDC-Hebrew U Fellowship in Service

This exclusive fellowship offers Rothberg students the opportunity to engage in meaningful service work with one of Jerusalem's most vulnerable populations.

As the largest developer of social services in the country, JDC-Israel touches the lives of 1 in 4 Israelis. Fellows will be integrated into one of JDC-Israel's innovative interventions as a platform for improving the lives of those in need.

Populations include: youth at-high-risk; persons with disabilities; and unemployed Ultra-Orthodox (Haredi).

Apply now to be one of 15 in this highly selective program.
