SUMMER IN JERUSALEM 2019

THE HEBREW
UNIVERSITY
OF JERUSALEM

Shalom Students and Welcome to Jerusalem!

Press here to meet the MADRICHIM!

Nice to meet you! We are the Student life team and your first Israeli Friends. This means that we get to help you out with everything you need and also, we get to do fun activities together! As you will see in the rest of this guide, we are going to have a lot of fun alongside your studies. Traveling, seeing different sites, eating and just hanging out. We know where to find the best hummus in Jerusalem, cool places to go on hikes and how to resolve those small roommate disputes... We wish you a wonderful time in Israel and hope we'll be able to help make it unforgettable!

Information About Activity Points

To purchase activity points, you will need to log in to the RIS website using your student number (ID) and 5 digit personal code.

Tuition paying students already received points; other students are encouraged to purchase points. You can check how many you have in offices 402 and 501, or in the personal information section on the RIS website.

Points	Price (USD)
1	\$40
2	\$70
3	\$100
4	\$130
5	\$160
6	\$180

Every additional point after you purchase 6 points will cost \$30.

Please make sure to note the tracking number found on the final payment screen. After you have purchased your points, please register for the activities in room 401-404.

Please note:

- Each activity has a minimum and maximum number of places.
- You must pre-register to activities – registration closes a few days before the activity.
- Registration is possible only if you currently have points.
- Each student must come in person to the Student Life office (Room 401-404) to sign up for an activity.
- Following your registration, you will receive a confirmation by email with the date and time of the activity.
- Under NO circumstances may points be transferred to another student.
- You can learn more about Student Life activity points, registration and refunds on our website: <http://overseas.huji.ac.il/?CategoryID=345>
- We recommend that you check your academic schedule before registering for activities - it is possible that an academic class may visit the same site.
