Rothberg International School

The Hebrew University of Jerusalem

In addition to the courses specially designed for international students, the Hebrew University will be offering special clusters in a variety of areas taught in English. These courses are 13-14 weeks long (*we will work with students to arrange an early departure if they are unable to stay for the duration of the course. Students can register for these courses by speaking with their academic advisor at the Rothberg International school. To schedule an advising session please email Ronitla@savion.huji.ac.il*)

Here are examples of a few courses currently offered in each discipline:
